

Super Hero Project

Part 3

Add Objectives

Materials

Procedures

Poster – 9 points

You and your partner will be creating a poster of your Super Baby. This poster must be creative, in color, and must represent your Super Baby. This post must include:

- The super hero / villain baby's parents (who are they) (1 point each)
- The Phenotype of the baby (What does the baby look like) (2 points)
(this is your picture)
- What are the baby's powers (2 points)
- Have at least 2 Punnett squares listing a power and another trait of your choice (no more than 4) (2 points)
- Poster needs to be creative and in color (2 points)

Presentation – 5 points

You and your partner will be presenting your Super Baby. The presentation will be around 2 minutes, will describe your baby. The presentation must include:

- *Say your names*
Your Super Baby's parents. (both parents name and powers) (1 point each parent)
- What powers the baby got from which parent (1 point)
- A description of the Punnett square you listed. (1 point each Punnett square)
- Include a back story of your baby (1 point extra credit)

During the Presentation

All students are responsible for grading each other's presentation. I have provided a grade sheet and scoring check list. You must complete the grading check list and turn in with your Posters at the end of all presentations.
